

# **Credit Score Report for Card Number 30356491800470**

**Total Transaction Amount:** 8750.71  
**Transaction Count:** 1  
**Average Transaction Amount:** 8750.71  
**Predicted Credit Risk:** High Risk

## **Concise Explanation:**

Card 30356491800470 is flagged as high risk due to a single, unusually large transaction of \$8750.71. This unusual activity, especially with only one transaction, suggests a potential for fraudulent behavior or an inability to repay, negatively impacting the user's credit standing and potentially leading to credit limitations.
